PRODUCT DESCRIPTION

Technical ripstop softshell, designed to provide warmth, protection and freedom of movement in professional environments.

Made from a next-generation ripstop fabric, it combines a waterproof and breathable membrane with an inner ole fleece lining, delivering comfortable warmth and an exceptionally soft hand feel.

- Central 3D zip closure
- 2 discreetly integrated lower zippered pockets
- 1 zippered pocket on the left sleeve, suitable for badge storage
- Adjustable hood with elastic drawcord and stoppers
- Extended back for improved lower back protection
- Adjustable hem for an optimal fit

A technical and versatile model, ideal for demanding outdoor environments as well as everyday wear.

FABRIC

- Outer fabric: 50D 4-way stretch ripstop
- Membrane: TPU
- Inner fleece: 92% polyester, 8% elastane (290 g/m²)

CARE INSTRUCTIONS

Recommended washing: machine wash at 40°C.
Store away from moisture, direct sunlight and heat sources.
