US

Model 7501 portable gravity operated eyewash shall include a FDA high-density green polyethylene 32l tank, ABS plastic eyewash heads with 1.5l/min flow rate over 15 minutes, yellow pull-down activation arm, integral handle on top, wide-fill threaded cap, label-mounted operating and maintenance instructions, stainless steel wall bracket (unit must be hung), and 1 bottle of bacteriostatic additive to permit storage of water for six months.

»HAWS warrants that all of its products are guaranteed against defective material or workmanship for a period of two years from date of shipment«

Guarantee

HAWS liability under this warranty shall be discharged by furnishing without charge FOB HAWS Factory any goods, or part thereof, which shall appear to the Company upon inspection to be defective material or not of first class workmanship, provided that claim is made in writing to Company within a reasonable period after receipt of the product. Where claims for defects are made, the defective part or parts shall be delivered to the Company, prepaid, for inspection. HAWS will not be liable for the cost of repairs, alterations, or replacements, or for any expense connected therewith made by the owner or his agents, except upon written authority from HAWS. HAWS will not be liable for any damages caused by defective materials or poor workmanship, except for replacements, as above provided. Buyer agrees that HAWS has made no other warranties either expressed or implied in addition to those above stated, except that of title with respect to any of the products or equipment sold hereunder and that HAWS shall not be liable for general, special, or consequential damages claimed to arise under the contract of sale. This emergency equipment/drinking fountains manufactured by Haws is warranted to function if installation and maintenance instructions provided are adhered to. The units also must be used for the purpose which they were intended. This product is intended to supplement first-aid treatment. Due to widely varying conditions, Haws cannot guarantee that the use of this emergency equipment will prevent serious injury or the aggravation of existing or prior injuries. NO OTHER WARRANTIES EXPRESSED OR IMPLIED ARE AUTHORIZED, PROVIDED OR GIVEN BY HAWS. OSHA – Haws Emergency Equipment enables you to meet the requirements in the OSHA Rules and Regulations covering this type of equipment. ANSI – Haws Emergency Equipment is manufactured to meet ANSI Z358.1 for Emergency Eyewash and Shower Equipment.
