Style
**CELINE
S2 CI**

Sizes
EU : 35 to 42
UK/AU/NZ : 2 to 8

Description
**CAMPER STYLE
LOW CUT SHOE
WITH WATER-RESISTANT
NUBUCK LEATHER**

UPPER specifications

Leather	Water-resistant full-grain nubuck leather 1.6-1.8mm thick
Tongue	Water-resistant full-grain leather
Collar	Latex foam
Lining	Cambrelle®
Heel stiffener	Synderme
Fastening	Lacing strip
Laces	Polyamide, resistant to abrasion (> 15000 frictions under 250g according to norm DIN4843)

FITTING specifications

Last	Wide fitting, according to Natur'Form concept
Toe cap	Wide ABG toe cap, 200 joules according to norm EN 345-1

SOLE specifications

Construction	California.
Insole	Antistatic Texon 2.0mm thick
Arch support	Polyethylene anatomic insock with integrated arch support
Sole material	Dual-density polyurethane <ul style="list-style-type: none"> • midsole density: 0,50 • outsole density: 1,00
Sole resistance	Oil and acid resistant Heat resistance up to 180°C

Advantages

- Water-resistant nubuck leather
- Protection of malleolus
- Cambrelle® lined for more comfort
- Cold insulation of sole complex (CI)
- "City" look, can be worn in all circumstances
- Integrates safety and good look
- **Sole with Parabolic profile®**: the concave structure of allows a progressive deformation of the sole in order to optimize the grip to industrial floors
- **Exceptional slip resistance**: the footprint adapts itself to the nature of the ground due to the profile of the sole
- Slip resistance coefficient : 0.19
- **Spring effect**: gives a more dynamic walk
- Sizes: 35 - 42 / 2 - 8

Protection

- According to norms EN 344-1 and EN 345-1
- Toe cap: 200 joules
- **S2**: basic requirements + closed back + antistatic + energy absorption at heel + oil resistance of outsole + cleated outsole + water-resistant upper

Weight

350g / 12.3oz per foot (for size 38/5, ± 5%)

European standard: CE certificate N°: 0075/007/161/11/01/104 - Ext. N° 10/11/01. This product has been subjected to CE type approval tests made by a notified body according to norms **EN 344-1 and EN 345-1**.

LEMAITRE SÉCURITÉ
is certified
ISO 9001 : 2000

Markings (on tongue): Size, manufacturer's identification, identification of model, month and year of manufacture, reference of applicable standard, type of protection, CE mark.
