

PRODUCT NUMBER: 6246221

ENERGIC

New safety footwear ranger boot dedicated to Oil & Gas industry

Honeywell

Overview

Reference Number

6246221

Product Type

Footwear

Range

Bacou Original Specific

Line

Banded Earplugs

Brand

Honeywell

Industry

- Building and Construction
- Energy or Electricity
- General Industry
- Green Spaces
- Logistics
- Petro-chemical
- Utilities

Features & Benefits

Feature

Water resistant full grain leather

Benefit

Abrasion and water resistance

Feature

Poromax® 3D lining

Benefit

breathable, absorbent, fast drying

Feature

PU coated microfiber scuff cap waterproof secure system

Benefit

Abrasion and water resistance

Feature

Lateral zipper

Benefit

to step in/out easily

Technical Description**Sizes**

35 to 49

Midsole

Non metallic antipuncture midsole. protects 100% of the foot surface, provides flexibility and complies with EN ISO 20345:2011.

Upper

Full grain leather

Toe Cap

Non metallic 200J

Insole

Technical insole: anti bacteria, anti static, ergonomic, removable

Outsole

PU 2D

Certifications**E.C. Declaration of Conformity****EC Category PPE**

2

Quality Assurance

ISO 9001 / 2008

EC Certificate Number

No Substance Content	

Maintenance**Life Cycle**

We advise that the footwear should be used in the limit of 3 years following the manufacturing date, which figures on the footwear.

After this time limit, certain factors such as: exposure to sunlight, hydrometry, temperature changes, could cause a modification in the structure of the material, which would no longer maintain the same

performance levels with regards to the requirements defined in the European Directive 89.686 CEE

Storage Information

Footwear should be stored in their original packaging, kept in a controlled stock area, not subject to rapid changes in temperature or humidity levels.

Care Instructions

After use leave your footwear to dry in an aired place away from heat. Remove any excess dust or dirt with a brush. Remove any marks using a damp cloth and soap if necessary.

Finally polish any grain or pigmented leathers using a commercially available shoe care product
