Materials:

Cap: Cotton Twill
Liner: HDPE
Comfort Pad: Foam

Instructions For Use:

Fit Scalp Protector on head and fasten strap to ensure correct fit. For adequate protection this cap must be worn with the peak facing forward and adjusted to the size of the users head.

IMPORTANT NOTE: Do not Use In an enviroment where an Industrial Safety Helmet is required.

Limitations Of Use:

The cap is not designed to protect the wearer from falling masses. Protection will only be offered if the cap is fitted correctly. Any cap subjected to severe impact should be replaced immediately. Do not apply paint, solvents, adhesives or self-adhesive labels, except in accordance with instructions from the manufacturer. The attention of users is also drawn to the dangers of modifying or removing any of the original component parts, other than as recommended by the manufacturer. The liner, when in contact with the skin may cause allergic reactions to susceptible individuals. If this occurs leave the hazard area, remove the cap and seek medical advice.

Cleaning & Maintenance:

The liner may be cleaned with soap and warm water and dried with a soft cloth. Chemical or abrasive cleaners should not be used. The standard cover can be brushed clean and is hand washable. The wipeable cover can be cleaned with a damp cloth and is also hand washable. The Top Cap should be stored out of direct sunlight, away from chemicals and not exposed to extremes of temperature.
