

**PRODUCT NUMBER: 730**  
**Camatril 730**

Our proven, top-quality protective glove made of high-quality nitrile, for a wide range of applications. The large spectrum of chemical resistance makes this a versatile glove suitable for numerous fields. The remarkably high abrasion, cut and puncture resistance allows work with sharp edged materials. Good flexibility, anatomical design and excellent fit ensure a good sense of touch. The flock lining offers additional wearing comfort. The green colour and the RAL Food approval makes this glove suitable for food handling and processing.

**Honeywell**

**Overview**

**Reference Number**  
730

**Product Type**  
Gloves

**Range**  
Chemical Protection

**Line**  
Heavy chemical

**Brand**  
Honeywell

**Brand formerly known as**  
KCL

**Industry**

- Automotive and Part Manufacturer
- Chemical Industries
- Food Industries
- Industrial Cleaning
- Laboratory
- Maintenance
- Petro-chemical

**Product Use**

automotive and supply industry petrochemical and printing industry paint shops laboratory work chemical industry maintenance and cleaning food industry handling of epoxy resins

**Features & Benefits**

**Feature**

AQL < 0.65 good antistatic and electrostatic properties absolutely silicone-free and lacquer indifferent suitable for food handling according to EU 1935/2004 FDA-certified

**Benefit**

excellent sensitivity good grip when handling greasy and oily parts good temperature flexibility high mechanical resistance good resistance against a variety of hazardous substance groups

## Technical Description

### Description

Unsupported green nitrile. Flock lined. Roughened palm.

### Product Technology

Dipped

### Glove/liner color

green

### Coating Type

Nitrile

### Length

300-320

### Thickness

0,4

### Harmlessness

In conformity with European standards

### Sizes

7,8,9,10,11

## EN 388 - Mechanical Hazards Abrasion Resistance

Abrasion resistance	3
Cutting resistance	0
Tear resistance	0
Puncture resistance	1

## EN 374-3 Resistance to

Resistance to permeation by chemicals	AJL
---------------------------------------	-----

## Certifications

### E.C. Declaration of Conformity

### EC Category PPE

3

### EC Certificate Number

IFA 1201157

### EC Attestation Number

IFA 1201157

### Certifications

- EN IFA 1201157
