PRODUCT DESCRIPTION

Hybrid Vest, combining warmth and freedom of movement.
This sleeveless vest features seamless fabric panels at the front and back, delivering the look and warmth of down while ensuring optimal insulation.
The sides and shoulders are made from stretch fabric to enhance comfort and flexibility.
Practical and functional, it is equipped with zippered pockets, including one chest pocket and two side pockets for secure storage.
A versatile vest, ideal for days when you need warmth without restricting movement, perfect to wear on its own or as a layering piece.

FABRIC

- Fabric 1: 95% polyester, 5% elastane, 350 g/m²
- Fabric 2: Channel-quilted fabric, 100% polyester, 214 g/m²
