Quick drying

Anti-mould

LEMAITRE

PRODUCT DESCRIPTION

Technical polyester T-shirt, designed to provide lightweight comfort, breathability and fast drying in active environments.

Made from 100% quick-drying polyester, its technical fabric promotes immediate moisture dispersion: water does not form droplets but spreads instantly for accelerated drying.

Its modern cut with clean lines ensures a dynamic, structured silhouette. Perforated side panels enhance ventilation and thermal comfort.

- Ribbed collar and sleeve cuffs
- Perforated side panels for improved breathability
- Lemaitre silicone chest logo

An ideal model for dynamic environments, service professions, logistics, or any activity requiring comfort and freedom of movement.

FABRIC

- Main fabric: 100% polyester (145 g/m²)

CARE INSTRUCTIONS

Recommended washing: machine wash at 40°C.
Store away from moisture, direct sunlight and heat sources.

SIZES

S to 3XL

PACKAGING

Packed in cartons of 40 units per size.
