DISPOSABLE KNIFE

FUNCTIONS

For cutting packaging tape

For cutting overwrapping plastic films

For cutting threads and strings

For cutting packaging links

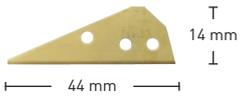

For opening envelopes

OTHER CHARACTERISTICS

- Weight: light (10 g).
- Knife in two-ply composite material to combine rigidity and flexibility in order to cut plastic films even in narrow passages.
- Ideal for anyone whose activity includes repeatedly opening plastic film packaging (storekeepers, secretaries, etc.) and envelopes.
- Disposable knife, no blade change.
- The majority of the blade body is overmolded by plastic, which makes it more robust.
- Supplied with a TIN coated blade.
- Opening less than 6 mm for finger protection.
