

DOUBLE OFFSET RING WRENCHES

EGA Master manufactures a comprehensive range of spanners including: Mastergear, combination, open ended, double offset ring wrenches, etc.

Made in Chrome Vanadium steel, they easily reach even the most demanding quality standards for resistance.

**both in mm
and inches**

1. They allow the tightening and loosening of screws or nuts that are positioned at a lower level than the surrounding surface.

2. Manufactured according to the norm **DIN 838**

DOUBLE OFFSET RING WRENCHES INCH.
