Flagger is a compact, rechargeable handheld flashlight with a right-angled design and signaling function, offering three light colors: white, red, and green. It emits a light output of up to 500 lm, providing visibility up to 154 m. The Advanced Dimming System (ADS) allows for smooth light intensity adjustment. The built-in 1500 mAh Li-Po battery, rechargeable via USB-C port, offers up to 15 hours of operation. It features a clip, hook, and two magnets for versatile use. The flashlight is handy and versatile. Flagger is popular with firefighters, police, emergency medical services, and railway workers, providing reliable lighting and vivid signaling.
