

NEW MODEL GT 52-21 PTS

Watertight and perfectly sealed thanks to the exclusive O-ring and to the **automatic** purge valve. This tool case grants an absolute protection being the lightest water-resistant trolley tool case on the market! Made of unbreakable lightweight resin, **GT 52-21** is provided with two tool pallets, strong latches, a handy ergonomic central handle, and a trolley with quick & safe lock / unlock telescopic handle. Crush-proof, corrosion-proof and airtight, this case is ideal for the most heavy-duty applications, particularly in the industrial, sanitary, aeronautical, military, and nautical fields. Airport handling resistant. Unique storage capacity. **Cabin Size***
